Case No.: 4:16-cv-03415

**JOINT PROPOSED ORDER OF FINAL JUDGMENT**

On February 3, 2020, the trial of this case began. Plaintiff Hess Corporation (“Hess”) appeared by and through its attorneys of record and announced ready for trial. Defendant Schlumberger Technology Corporation (“Schlumberger”) also appeared by and through its attorneys of record and announced ready for trial. The Court determined that it had jurisdiction of the subject matters and the parties in this case. Judge Sim Lake presided over this case without a jury.

The right to a jury trial was waived because the parties did not demand a jury.

The Court, after reviewing the pleadings, heard the evidence and testimony and renders its judgment for Schlumberger.

The Court entered its Memorandum Opinion and Order containing its findings of fact and conclusions of law on November 5, 2020, after the trial of this matter. ECF No. 225.

Based on those findings of fact and conclusions of law, the Court determined that Hess was not entitled to judgment and denied Hess’s Motion for Entry of Judgment. Accordingly, the Court ORDERS that Hess take nothing by its suit, that the actions be dismissed on the merits, and,

consistent with the Court's Memorandum Opinion and Order, that Schlumberger recover its attorneys' fees, court costs, and other expenses for having to defend against Hess's claim for methanol-related damages.

Schlumberger requested reasonable attorneys' fees, court costs, and other expenses and filed an affidavit proving \$118,380.32 for attorneys' fees, court costs, and other expenses. ECF No. 226. The Court ORDERS Hess to pay Schlumberger \$118,380.32 for its attorneys' fees, court costs, and other expenses. Costs will be taxed against Plaintiff.

The Court ORDERS execution to issue for this judgment.

The Court DENIES all relief not granted in this judgment.

This is a FINAL JUDGMENT.

SIGNED this \_\_\_\_ day of \_\_\_\_\_, 2020.
